AND THE PINNACLE SUBDIVISION, PHASES 1 THROUGH 4

This AMENDMENT TO PROTECTIVE COVENANTS OF CHAMPIONS GOLF AND COUNTRY CLUB DEVELOPMENT TO THE CITY OF ROGERS AND THE PINNACLE SUBDIVISION, PHASES 1 THROUGH 4 (this "Amendment") is made and entered into by Pinnacle Homeowners Association, Inc., an Arkansas nonprofit corporation (the "HOA").

Note: As more particularly set forth herein, the validity and effectiveness of this Amendment is subject to the provisions of Section 5 of this Amendment, including but not limited to the affirmative vote of the requisite number of those persons entitled to vote thereon pursuant to the Covenants (as defined herein). This Amendment shall replace that certain amendment recorded in the Office of the Circuit Clerk and Ex-Officio Recorder of Benton County, Arkansas in Deed Book 2016 at Page 26007 which has not gained sufficient votes under the Covenants (as defined herein).

WITNESSETH:

In consideration of the mutual covenants exchanged herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, effective upon the satisfaction of the conditions set forth in Section 5 of this Amendment, this Amendment shall be in full force and effect and shall be binding upon the HOA, the Owners, the Club, and Tallchamps and the Pinnacle Property:

1. APPLICATION, EFFECTIVENESS, AND LEGAL DESCRIPTION. Capitalized terms used herein shall have the meanings set forth in Exhibit A, attached hereto and incorporated herein for all purposes. This Amendment, upon becoming effective in accordance with the provisions herein, shall amend the Covenants set forth in Exhibit B, attached hereto and incorporated herein for all purposes. The Covenants are hereby ratified and shall remain in full force and effect, except to the extent modified by this Amendment. The provisions hereof shall apply to the Pinnacle Property and shall be effective as to the Pinnacle Property and each Lot at such time as the conditions set forth in Section 5 of this Amendment are satisfied.

The "Pinnacle Property" shall mean and refer to that certain real property known as the Champions Golf and Country Club Development and the Pinnacle Subdivision Phases 1 through 4, being developments within the City of Rogers, Benton County, Arkansas and being more particularly described in the following plats recorded in the Office of the Circuit Clerk and Ex-Officio Recorder of Benton County, Arkansas (the "Pinnacle Plats"): (a) Final Plat of the Champions Golf and Country Club Development to the City of Rogers recorded in Plat Book 14 at Page 290; (b) Final Plat of Garden Villas, Champions Golf and Country Club recorded in Plat Book 14 at Page 323; (c) Final Plat of Champions Golf and Country Club Phase II recorded in Plat Book A15 at Page 178; (d) Replat of the Final Plat of Pinnacle Town Homes recorded in Plat Book 20 at Page 152; (e) Replat of the Final Plat of Pinnacle Patio Homes recorded in Plat Book 20 at Page 151; (f) Corrected Final Plat of Pinnacle Subdivision Phase 4 recorded in Plat Book 2004 at Page 712; (g) Final Plat of Pinnacle Subdivision Phase 3 recorded in Plat Book P2 at Page 909; (h) Final Plat of The Pinnacle Subdivision Phase 2 recorded in Plat Book P2 at Page 799; and (i) Final Plat of The Pinnacle Subdivision Phase 1 recorded in Plat Book 19 at Page 203.

2. PROPERTY OWNERS ASSOCIATION. The Owners hereby nominate, authorize, and approve of the HOA as the property owners association authorized to administer the Pinnacle Property, including all Subdivisions, and take any and all such actions of the property owners association as set forth in the Covenants. The Owners, as members of the HOA, hereby authorize and elect for the HOA to operate as a nonprofit corporation under the provisions of the Arkansas Nonprofit Corporation Act of 1993, Ark. Code Ann. § 4-33-101 et seq., and hereby approve the amendment of the HOA's articles of incorporation to reflect such authorization in the corporate records of the HOA. The HOA shall have and is hereby granted the right to act for the benefit of the Pinnacle Property and on behalf of all Owners in all Subdivisions, including but not limited to (a) either itself or through a delegate or nominee, enforcing the Covenants and seeking remedies for violations thereof, on behalf of the Owners in any manner permitted by applicable law, (b) entering into contracts for the administration, management, maintenance, security, and benefit of the Pinnacle Property, and (c) the adoption and enforcement of rules and regulations from time to time to provide for the maintenance and use of the Pinnacle Property in a neat, clean, safe, secure, and orderly manner. Each Owner shall be a member of the HOA as set forth in the corporate records of the HOA, provided that with regard to all votes pertaining to the HOA or the Pinnacle Property, each Lot shall be permitted only one vote. In the event any Lot is combined with another Lot, the Owner of such combined Lot shall have only one vote; provided this sentence shall not operate to permit the combining or subdividing of lots to the extent not currently permitted under the Covenants. The Owners acknowledge and agree that the HOA shall act by and through the Board (or any duly appointed committee thereof) according to the By-Laws.

3. ASSESSMENTS BY HOA. In lieu of any other monthly or annual assessment other than those made by the Club, the HOA may from time to time, require annual assessments against each Lot, which funds shall be used for the benefit of the Pinnacle Property as determined by the Board, which uses may include, without limitation, use for the following purposes: (a) administration of HOA operations, administration, and obligations, (b) maintenance, construction, and landscaping of roads, exterior walls and fences, improvements, and common areas, (c) any other purpose for assessments set forth in the Covenants, and (d) to further the intent of the Covenants. Such annual assessments may be made payable on an annual or pro-rated monthly basis, as determined by the Board. The duly authorized annual assessment for the calendar year following the calendar year in which the effective date of this Amendment occurs shall be \$600.00. The Board, in its discretion, shall have the right to increase such annual assessments; provided any such increase which alone or when aggregated with any other increase for the same calendar year does not exceed the year-over-year percentage increase in the Consumer Price Index for All Urban Consumers published by the U.S. Bureau of Labor Statistics. Increases in annual assessments above such amount shall be subject to approval by a vote of the Owners as members of the HOA. In addition to any other assessment, the HOA may (without obligation) make assessments against Owners of the Town Home Lots, Patio Home Lots, or Garden Villas Lots for landscaping, parking, or other common area maintenance or other common expenses attributable to such Subdivision; provided a majority of the votes cast with respect to such Lots are in favor of such assessment. The HOA may make special assessments against any Owner if the HOA shall cause maintenance to be performed upon such Owner's Lot or take other action due to the failure of the Owner to comply with the Covenants, to compensate or reimburse the HOA for the expenses incurred in connection with such Owner's failure to comply, including but not limited to expenses incurred for maintaining such Owner's Lot upon such Owner's failure to do so. For assessments other than annual assessments, the HOA shall provide written notice to such Owners setting forth an itemized statement of the purpose and amount for which any such assessment is made and when payment for such assessment is due. All assessments received by the HOA for all Subdivisions may be accounted for, maintained, and used for the Pinnacle Property collectively. All HOA assessments that remain unpaid after thirty (30) days from when such payment was due, together with any late charges and costs of enforcement or collection (including reasonable attorneys fees), shall be secured by a lien on such Lot in favor of the HOA. Such lien shall have the same status and priority as other liens provided for in the Covenants. The HOA shall have the same rights regarding such lien as any lienholder entitled to a lien under the Covenants, including but not limited to all rights to enforce such lien, seek any remedy

permitted by a lienholder under the Covenants or pursuant to applicable law, and bid on any Lot at any foreclosure sale therefor. In no event shall the provisions of this Section in any way reduce, satisfy, waive, release, or otherwise impair any Owner's obligations to pay any assessments due and payable as of the effective date of this Amendment or any rights of the HOA or any other person related thereto.

4. BINDING EFFECT AND AMENDMENTS OF COVENANTS. Subject to the provisions of Section 5 below, all Persons who now or shall hereafter acquire any Lot within the Pinnacle Property shall be deemed to have agreed and covenanted with the HOA and the other Owners in the Pinnacle Property and with their heirs, successors, and assigns to conform to and observe the restrictions, covenants, and provisions of the Covenants as amended by this Amendment. Notwithstanding any other provision of the Covenants, the Covenants may be amended at any time and from time to time upon the affirmative vote of two-thirds (2/3) of the votes allocated among the Pinnacle Property by the Covenants. It is expressly required that with respect to any such amendment, each Lot shall be given one (1) vote to be exercised by the Owner of such Lot, and a vote of two-thirds (2/3) of the votes allocated among the Pinnacle Property shall be deemed sufficient to amend the Covenants.

5. EFFECTIVENESS OF THIS AMENDEMENT. Notwithstanding that this Amendment is presently executed by the HOA and may be recorded in the real property records of Benton County, Arkansas, this Amendment shall be of no force and effect until such time as the requisite number of votes shall have been made in favor of amendment of each of the existing Covenants pursuant to the terms thereof. Owners shall cast their votes in favor of amendment of the Covenants applicable to such Owner's Lot by executing and delivering to the HOA a form of consent attached hereto as Exhibit C. The Club and Tallchamps shall cast their votes in favor of this Amendment by executing and delivering to the HOA a form of consent substantially in the form attached hereto as Exhibit D. Each such consent, once delivered shall be irrevocable and may be immediately recorded by the HOA in the Office of the Circuit Clerk and Ex-Officio Recorder of Benton County, Arkansas either individually or together with other consents. Consents may be executed in counterparts which may be an entire copy of such consent or the signature page of such consent. At such time as sufficient votes have been obtained to amend each of the Covenants, the Secretary of the HOA appointed by the Board may record in the Office of the Circuit Clerk and Ex-Officio Recorder of Benton County, Arkansas a certificate regarding such votes. From and after such date as the requisite votes have been obtained and the applicable consents and such certificate have been recorded, this Amendment shall be valid, binding, and in full force and effect.

6. ELECTION OF DIRECTORS. Within one hundred twenty (120) days of the date that this Amendment becomes effective pursuant to Section 5 of this Amendment, the Board shall organize and hold a vote of the members of the HOA for the purpose of electing successors for each position on the Board. Such vote shall be organized by the Board and held in any manner permitted by applicable law. Members of the Board serving as of the date such vote is organized and held may, if elected, continue to serve on the Board following such vote. Following such vote, the individuals elected shall each be a director of the HOA and together shall comprise the Board. Following such election, the Board shall hold annual meetings of the HOA at the time and place established by the Board in accordance with applicable law and the By-Laws.

7. ELECTION OF ACC. The election of architectural control committee members by the Owners which is contemplated pursuant to certain of the Covenants shall be organized by the Board and held in May 2019 or as soon thereafter as permitted in accordance with any notice requirements under applicable law. Such election shall be held in accordance with the Arkansas Nonprofit Corporation Act of 1993, as amended. Such ACC members shall be elected upon the affirmative vote of a majority of votes cast. Following such election, the ACC members elected shall function as the architectural control committee for all Subdivisions.

8. MISCELLANEOUS PROVISIONS. Notwithstanding any other provision of this Amendment, in no event shall this Amendment or any provision hereof in any way create any obligation of

the HOA or the Board that does not exist as of the date hereof except to the extent such obligation shall be expressly set forth herein. Failure of any party to exercise any right relating to a breach of any provision of the Covenants shall not constitute a waiver or estoppel of the right of any party entitled to exercise such rights upon future breaches or for continuing breach at a later date. Every provision of this Amendment is hereby declared to be independent of and severable from each and every other provision hereof. If any provision or part thereof shall be held by a court of competent jurisdiction, by judgment or court order, to be invalid or unenforceable, all remaining provisions shall be valid and continue unimpaired and in full force and effect. If the provisions set forth herein conflict, with any rules, regulations, or by-laws of the HOA or the Covenants, then the provisions set forth herein shall control. Should any of the provisions set forth herein conflict with any provision, setback, restriction, or regulation contained in the Pinnacle Plats or the Rogers Code of Ordinances, the more restrictive provision shall control. All exhibits referenced and attached to this Amendment are hereby incorporated herein for all purposes, as though set forth word for word. References herein to Section or paragraph captions and headings in this Amendment are for convenience only and do not in any way limit or amplify and shall not be used to interpret the terms or provisions hereof. This Amendment may be executed in one or more counterparts that, when taken together, shall comprise one and the same instrument.

[Signature Page Follows]

The foregoing Amendment is hereby EXECUTED and DELIVERED on December 20, 2016. The undersigned agrees to the provisions of the Amendment and hereby casts all its votes to approve and adopt such Amendment to the extent such entity has the right to vote thereon pursuant to the Covenants.

Champions Golf and Country Club Limited Partnership is the sole owner and developer of Champions Golf and Country Development to the City of Rogers, Arkansas, and does hereby establish and create the following protective covenants, which shall apply to said lots as shown on the recorded Plat of the said subdivision.

1. LEGAL DESCRIPTION. Champions Golf and Country Club Development to the City of Rogers, Arkansas, Phase 2, shall be deemed to consist of Lots 9 through 12, 14 through 16, 28 through 65, 74 through 91, 131 through 147, and 303 through 359 of Champions Golf and Country Club Development.

2. INTENT. It is the intent of Champions Golf and Country Club Limited Partnership that these protective covenants be construed with the intention of promoting orderly and continuous development within Champions Golf and Country Club Development. Any action inconsistent with this express intent which would unreasonably delay or impair such orderly and continuous development of Champions Golf and Country Club Development which is not specifically covered within the terms of these protective covenants shall be deemed a violation of these protective covenants.

3. SINGLE-FAMILY RESIDENTIAL LAND USE AND BUILDING TYPE. All lots within Champions Golf and Country Club Development to the City of Rogers, Arkansas, shall be governed by the provisions of the Rogers City Code governing single-family residences as governed by RMF6-A on the date these covenants are executed.

4. BUILDING LIMITATIONS. The subdivision and building codes of the City of Rogers, Arkansas, as they presently exist or are hereinafter amended, shall be and are hereby made applicable to all lots in Champions Golf and Country Club Development to the City of Rogers, Arkansas. All dwellings and other improvements shall comply with said ordinances as they exist on the date of such construction. Any conflict between such ordinances and the provisions of these protective covenants shall be resolved in favor of the more restrictive provisions. Building, architectural, and design specifications shall be in accordance with those set forth in the Rogers City Code and those standards and specifications required by the Architectural Control Committee. No dwelling structure shall be constructed upon any lot within Champions Golf and Country Club Development to the City of Rogers, Arkansas, Phase 2, of a size less than two thousand five hundred (2,500) square feet of heated living space. Further, each dwelling shall have a private garage for not less than two (2) cars, which shall be served by a concrete driveway with a minimum width of not less than sixteen (16) feet. All homes or outbuildings constructed on any lot must use wooden shingles or other materials approved in advance in writing by the Architectural Control Committee. This restriction shall not be deemed to restrict homes to the use of wooden shingles. In addition, all specifications and plans for structures to be constructed upon any lot within Champions Golf and Country Club Development to the City of Rogers, Arkansas, shall be submitted for approval to the Architectural Control Committee, which shall view all such plans and specifications prior to construction and be given the power to require amendment or alteration to any such designs or specifications prior to approval for construction in Champions Golf and Country Club Development to the City of Rogers, Arkansas. Architectural Control Committee, and same shall be binding. All builders and owners should contact the Architectural Control Committee prior to commencement of construction, to be apprised of current requirements.

5. ARCHITECTURAL CONTROL COMMITTEE. No building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure on the lot have been approved by the Architectural Control Committee. Such plans shall be submitted to the Architectural Control Committee at least fifteen (15) days prior to the commencement of construction of same, and the written approval of the Architectural Control Committee shall be required before commencement of construction. In this regard, it is the intention and purpose of the covenants contained in this paragraph to assure that all dwellings and accessory buildings shall be of a quality of workmanship and materials substantially the same or better than that which is being produced on the day these protective covenants are recorded and to assure that the exterior design of all dwellings and accessory buildings will be aesthetically compatible with the other dwellings and accessory buildings in the subdivision. The Architectural Control Committee for Champions Golf and Country Club Development shall consist of the officers of Champions Golf and Country Club, Inc., General Partner, and any other persons designated by Champions Golf and Country Club, Inc., General Partner. The members of said committee shall serve for a period of thirty (30) years, and thereafter as replaced by an election of the majority of the then lot owners (one lot, one vote) in Champions Golf and Country Club Development. The Architectural Control Committee's approval or disapproval as required in this paragraph shall be in writing. Should any plans submitted hereunder fail to be approved or disapproved within the time period herein provided, or in any event, if no suit to enjoin the construction proposed is commenced prior to the completion thereof, approval will not be required, and the related covenants shall be deemed to have been fully complied with. The Architectural Control Committee as herein established may amend the architectural standards for Champions Golf and Country Club Development at any time with or without notice. Such amendment shall not affect plans or specifications for construction approved in writing prior to the date of such amendment. The Architectural Control Committee will make available from time to time written copies of the architectural standards to apply to the Champions Golf and Country Club Development.

6. HOME OCCUPATIONS. Home occupations as defined by the Rogers City Code shall be prohibited.

7. YARD SPACE RESTRICTIONS AND BUILDING LOCATION. No building shall be located on any lot nearer than twenty-five (25) feet to the front of the lot line nor nearer than twenty-five (25) feet to the side street line. No building or accessory building shall be permitted to be located nearer than thirty-five (35) feet to any lot line which is a boundary with the golf course or a portion thereof. No building or accessory building shall be located nearer than ten (10) feet to any interior side lot line. This provision (interior side lot setback) shall not apply to any dwelling constructed on two (2) adjacent lots as to the side lot line dividing the two (2) lots. All permitted accessory buildings shall be located in the rear yard of each lot, and no such permitted accessory building shall be located on any lot nearer than thirty-five (35) feet from any boundary with the golf course or any part thereof nor within ten (10) feet of any side lot line. For the purposes of this covenant, eaves, steps, and open porches shall not be considered as part of the building, except same shall be considered as part of the building when determining the thirty-five (35) foot setback from the golf course boundary lot line. The Architectural Control Committee may, in its sole discretion and upon application of any property owner within this phase, waive all or part of the thirty-five (35) foot minimum setback restrictions from golf course boundary lot lines. However, this shall not be construed to permit any portion of the building on a lot to encroach upon another lot. No lot shall be subdivided into smaller lots or parcels than shown on the recorded Plat for the purposes of creating additional building sites or lots, except that a lot may be divided to combine portions of it with the adjacent lots on both sides to enlarge the building sites on said respective adjacent lots. Should any building setback lines shown upon the Plat of Champions Golf and Country Club Development

vary from the setback requirements required herein, the building setback lines set forth herein shall be deemed to control and take precedence.

8. FENCES AND SHRUBS. Fencing of front yards is prohibited, except that decorative wood or stone fencing of a maximum height of three (3) feet may be constructed upon approval by the Architectural Control Committee. Any fence located on any lot must be approved as to material, location, height, and width by the Architectural Control Committee prior to commencement of construction. Chain link fences and other forms of wire fencing are specifically prohibited. The Architectural Control Committee shall have the authority to establish setback requirements for any fences approved by it as set forth herein. All shrubs must be set back at least ten (10) feet from any lot line.

9. GARAGES. Attached garages or unattached garages may open toward any side of the house but must be kept closed at all times except for immediate ingress and egress.

10. SWIMMING POOLS. Swimming pools may be constructed upon any lot but must comply with the setback requirements set forth above. The design of any swimming pool and its screening or fencing must be approved by the Architectural Control Committee in writing in advance and must conform to all City Code requirements in effect for the City of Rogers at the time of such construction. No swimming pool shall be permitted to drain onto the golf course. All swimming pool equipment must be screened from the street and the golf course, and such screening must be approved by the Architectural Control Committee.

11. MAINTENANCE OF COMMON AREAS, FENCES, AND ROADS. Champions Golf and Country Club, Inc., General Partner, shall be responsible for maintaining all common areas, fences constructed by the developer, drainage structures, easements, and roads within the development. All drainage structures, easements, and roads within the development will be constructed and maintained by Champions Golf and Country Club, Inc., General Partner, as required under the applicable regulations and ordinances of the Rogers City Code, except for those regulations and ordinances expressly waived by the City of Rogers. Champions Golf and Country Club, Inc., General Partner, may from time to time require assessments, either monthly or annually, in the sole discretion of Champions Golf and Country Club, Inc., General Partner. The amount of any such assessment shall be equal for each lot owner based on the estimated cost of maintenance requirements divided by the number of lots in the development. Such assessment shall be \$200.00 per year for the first ten (10) years and shall increase thereafter, if necessary, in accordance with any changes in the Consumer Price Index. The ten (10) year term of this assessment shall begin and run from the initial date of recording of these Protective Covenants.

A. Lien for Assessments. All sums assessed against any lot pursuant to this declaration, together with any late charges as provided herein, shall be secured by a lien on such lot in favor of Champions Golf and Country Club, Inc., General Partner. Such lien shall be superior to all liens and encumbrances on such lot except for:

(1) Liens of ad valorem taxes;

(2) A lien for all sums unpaid on a first mortgage, any purchase money mortgage, or any mortgage to Champions Golf and Country Club Limited Partnership duly recorded in the public records of Benton County, Arkansas, and all amounts advanced pursuant to such mortgage and secured thereby in accordance.

All persons acquiring liens or encumbrances on any lot after these protective covenants shall have been recorded in said records shall be deemed to consent that such liens or encumbrances shall be inferior to future liens or assessments as provided herein, whether or not prior consent be specifically set forth in the instruments creating such liens or encumbrances.

B. Effect of Nonpayment of Assessments, Remedies of Champions Golf and Country Club, Inc., General Partner. Any assessments which are

not paid when due shall be delinquent. Any assessment due for a period of ten (10) days shall incur a late charge in an amount as the officers of Champions Golf and Country Club, Inc., General Partner, may reasonably determine from time to time. Champions Golf and Country Club, Inc., General Partner, shall cause a notice of delinquency to be given to any member who has not paid within ten (10) days following the due date. If the assessment is not paid within thirty (30) days, a lien as herein provided for shall attach, and, in addition, the lien shall include a late charge of a maximum allowable rate from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, Champions Golf and Country Club, Inc., General Partner, may, as its officers shall determine, institute suit to collect such amounts or to foreclose its lien. Each owner, by his or her acceptance of a deed to a lot, vests in Champions Golf and Country Club, Inc., General Partner, or its agents, the right and power to bring all actions against him or her personally for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this article shall be in favor of Champions Golf and Country Club, Inc., General Partner. Champions Golf and Country Club, Inc., General Partner, shall have the power to bid on the lot at any foreclosure sale or to acquire, hold, lease, mortgage, and convey the same. No owner may waive or otherwise escape liability for the assessments provided herein, including, by way of illustration but not limitation, abandonment of his or her lot.

All assessments shall be due and payable in a manner and on a schedule as the officers of Champions Golf and Country Club, Inc., General Partner, may provide. Assessments may be levied upon each lot regardless of construction, or lack thereof, upon said lot.

12. CONSTRUCTION DEADLINES. The owners of all lots within Champions Golf and Country Club Development, Phase 2, shall be required to begin construction of a residence, the design specifications for which have been previously approved by the Architectural Control Committee, within five (5) years of the date of the execution of the warranty deed for said lot from Champions Golf and Country Club Limited Partnership to the first purchaser of said lot. This construction deadline requirement shall apply regardless of the number of interim owners from the date of execution of the first warranty deed for said lot to the expiration of five (5) years therefrom. Construction must be continuous and ongoing toward completion of a residence meeting the requirements set forth within a reasonable time.

13. SIGNS. No signs, either permanent or temporary, of any kind, shall be placed or erected on any property, except as approved by the Architectural Control Committee. Provided further, however, the developer, Champions Golf and Country Club Limited Partnership, hereby reserves the right to construct signs to designate the name of the addition and to advertise same.

14. TEMPORARY STRUCTURES. No trailer, basement, tent, shack, garage, barn, or other outbuilding erected on a building site covered by these covenants shall at any time be used for human habitation, temporarily or permanently, nor shall any structure of a temporary character be used for human habitation. This restriction does not prohibit the storing of recreational vehicles on the lots.

15. OUTBUILDINGS. Outbuildings shall be restricted to one (1) per lot. Outbuildings may be constructed on the back yard provided said outbuilding is no larger than ten (10) feet by twelve (12) feet and its design is compatible with the existing structure. Design and location of outbuildings is subject to the approval of the Architectural Control Committee and the setback requirements as set forth herein. Cabana structures or gazebos may be built and maintained within the building area on any lot in the addition. The interior area of a detached cabana will not be included in the determination of the minimum dwelling sizes.

16. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall

be permitted, nor shall oil wells, crude oil tanks, tunnels, mineral excavations, or shafts be permitted upon or on any building site. No derrick or other structure designed for use in boring for oil, natural gas, salt, or any other mineral or petroleum product shall be erected, maintained, or permitted upon any building site.

17. PETS, LIVESTOCK, AND POULTRY. No animals, livestock, or poultry of any kind shall be raised or kept on any residential building site, except that dogs, cats, or other household pets may be kept, provided that they are not kept or maintained for any commercial purposes. developer or other property owners may cut grass or weeds or perform maintenance upon fences, outside structures, or outdoor decorations and shall be entitled to charge a reasonable fee to the owner of the lot for said service. No building material of any kind or character shall be placed or stored upon any lot in the subdivision until the owner is ready to commence construction of the improvements requiring such materials. 26. DURATION OF COVENANTS. These covenants and restrictions shall run with the land for a minimum period of thirty (30) years, to be automatically extended for successive periods of five (5) years without further action unless terminated by a majority of the property owners in the development, casting votes as hereinabove set forth in the amendment section of these covenants, and voting one (1) vote for each lot. It is the intent that these covenants promote the aesthetic value of Champions Golf and Country Club Development.

27. SEVERABILITY. Invalidation of any restriction set forth herein, or any part thereof, by an order, judgment, or decree of any court, or otherwise, shall not invalidate or affect any of the other restrictions, or any part thereof, as set forth herein, but they shall remain in full force and effect.

28. APPLICABILITY. Any area not designated as single family dwelling residential area, except as designated as reserved on the Plat of Champions Golf and Country Club Development, shall be designated a restricted area, and such area shall be subject to the same protective covenants as set forth herein except those set forth in paragraph 12 herein.
